

APENDYKS

Do dokumentacji wynikowej otworu wierniczego Tuchola IG 1 (Raczyńska, red., 1977a) dołączono zestaw fotografii rdzeni wierniczych, które zamieszczono również w tym tomie.

Opisy pod fotografiami oznaczają: głębokość marszu rdzeniowego, jego kolejny numer, numery skrzynek w marszu oraz numerację skrzynek od początku otworu wierniczego.
