

The banner features a dark blue background with a faint image of an oil rig. On the right side, there is a white rounded rectangle containing the 'SHALE SCIENCE' logo, which includes a stylized orange and blue nautilus shell. The main text is in orange and white, with the title in large orange letters and the subtitle in smaller white letters. The dates and location are in white. The organizers' logos are at the bottom left, and the website is at the bottom right.
