

CHIEF NATIONAL GEOLOGIST SECRETARY OF STATE
GOVERNMENT PLENIPOTENTIARY
FOR THE STATE'S RAW MATERIALS POLICY
PIOTR DZIADZIO, Ph.D.

and

DIRECTOR OF THE POLISH GEOLOGICAL INSTITUTE
NATIONAL RESEARCH INSTITUTE
MATEUSZ DAMRAT, Ph.D. Eng.

have the pleasure to invite you
to the Conference:

16.12.
2019

OIL AND GAS IN POLAND:

prospective areas
and licensing
in 2019 and 2020

December 16, 2019

Ministry of the Environment
Wawelska Str. 52/54, 00-922 Warsaw, Poland

MINISTRY
OF THE ENVIRONMENT

Polish Geological Institute
National Research Institute

Funded by National Fund
for Environmental Protection
and Water Management

TOPIC:

The conference creates the opportunity to show and discuss the law regulations and procedures of hydrocarbon licensing in Poland. The specialists of the Department of Geology and Geological Concessions (Ministry of the Environment) and Polish Geological Institute – NRI will present also the information (including geology, petroleum systems, wells, seismic surveys, gravimetry and environmental restrictions) about 5 areas dedicated to next tender round for hydrocarbon concessions in Poland.

PROGRAM:

9.30–10.00 – Registration

10.00–10.15 – Opening ceremony by CHIEF NATIONAL GEOLOGIST

10.15–11.00 – 1st THEME (Ministry of the Environment)

Licensing procedures (qualification, tender and open door) in Poland

Application for hydrocarbon concessions: some hints for Entities

Speakers: Marcin Wesołowski, Grzegorz Jagielski

11.00–11.20 – Coffe break

11.20–12.20 – 2nd THEME (Polish Geological Institute - NRI)

Tender areas in central and north-western Poland:

Złoczew, Pyrzyce, Żabowo

Speakers: Hubert Kiersnowski, Łukasz Smajdor, Ewelina Krzyżak, Joanna Roszkowska-Remin, Tomasz Żuk, Olga Rosowiecka, Aleksandra Kozłowska, Marta Kuberska

12.20–13.30 – Lunch

13.30–14.10 – 3rd THEME (Polish Geological Institute - NRI)

Tender areas in southern Poland: Bestwina-Czechowice, Królówka

Speakers: Rafał Laskowicz, Leszek Jankowski, Krystian Wójcik

14.10–14.30 – Coffe break

14.30–15.00 – 4th THEME (Ministry of the Environment, Polish Geological Institute - NRI)

Data room – new tools for geological data insight

Hydrocarbon prospectivity of Poland in 2020

Speakers: Marcin Wesołowski, Krystian Wójcik

Summary and conclusion by CHIEF NATIONAL GEOLOGIST

15.00–16.00 – Free discussion

FREE ENTRANCE! (AFTER REGISTRATION)

REGISTRATION: **till December 6, 2019**
