

The map displays the following features:

- Geographical Context:** Neighboring countries (Sweden, Lithuania, Belarus, Slovakia, Czech Republic, Germany) and the Baltic Sea are shown.
- Administrative Regions:** Poland is divided into voivodeships, each represented by a unique color and pattern.
- Grid System:** A grid of numbers (1-40) and letters (A-Z) is overlaid on the map.
- Major Cities:** Warsaw, Kraków, Wrocław, Poznań, Łódź, and other significant urban centers are marked.
- Legend:** A legend in the bottom right corner explains the color-coding and grid system.
